The P. A.

Sir

I have the honor to report
that the triennial term of the
Sanamu Municipality expired on the
31st of March 1908 & to propose that
the gentlemen noted in list A enclosed
may be re-nominated as Councillors of
the Municipality for the next term ^{commencing} with
the ^{1st} of April ~~1908~~ 1908 to 31st of March
1911. I beg to enclose another list B
showing the names of the old Councillors.

2) Of the old Councillors in list B

Messrs Shum Khan Pathan & Fay Khan
Khan Pathan are natural brothers. It
is sufficient if one of them is a Councillor
Mr. Fay Shum Khan is an ^{emphatic} ~~active~~ ^{active} ~~man~~ ^{man}.

man. Mr. Bhujikhan has been
serving long in the Municipality. I have
proposed in his place Mr. Bhoir
Bhujikhan and Jayaj Khan Baidar
Kavale. He is a young man likely
to take interest in Municipal affairs.
His father was a councillor of the
Municipality & a second class Sarda.

3) Mr. Venkappa Raut who is one of
the oldest councillors has resigned
as he has been ~~engaged~~ ^{occupied} in other
work. I have proposed in his place
Mr. Chibisappa Nagappa Kaven.
He is a Sanyasat & a holder of some
social position.

4) The two new Councillors proposed
are willing to be nominated.

5) The officials proposed represent the
various departments in the Municipality &
their nomination is necessary in the
interests of efficiency.

The last nomination was ^{sanctioned} ~~made~~.

as per No 3537 of 18-5-05

communicated to this office with
in A.P.H. No 218 of 22-5-05

8) The A.P.H. The Dewan and

of office the President & Vice President
of the Municipality

9) The managing Committee for a
very long time consisted of 7 ^{members} ~~members~~
including the Chairman. The number
was last year reduced to 4 including
the Chairman, as per A.P.H. No 381 of
1-3-7. The measure was tentative.

It is proposed that the number be
increased to 6, ^{including the Chairman} under S 27 of the

Act. Under Act, the managing
Committee is to consist of such
number of members not exceeding
9 & not less than 4

— It is difficult at times to
have a quorum in the Committee
as others, many work cannot be

~~Consequently~~ practically performed
is the number is very limited. The
term is divided into ³ ~~4~~ wards ^{each ward} ~~which~~
consists of houses scattered all over
Past experience shows that two
~~two~~ councillors ^{at least} for each ward are
needed to be necessary for the
proper transaction of business.

The Ranbennur & Haveri
Municipalities have respectively 5 & 6
Councillors on the Managing Committee.
Savarni is by far more extensive
a town than Haveri.

Thank H.
R.H.

I bow the P.D.A. & President
Savarni Municipality
